

## TALI NEWSLETTER

Hi TALI member!

We are keeping it short this time due to everyone's primary concern...

### **GET OUR SCHOOL BUDGETS PASSED and PRO-PUBLIC EDUCATION CANDIDATES ON BOARD!**

The following information regarding board candidates is what we have been able to gather at the time of the writing of this newsletter; however, if you would like to add to the list, send TALI your information ASAP and we will send out updates through Tuesday. Be sure to share with ALL of your members and stress the importance of sharing this with relatives and friends who may live in these districts. Remember, our locals support candidates who are supportive of our public schools and the programs we offer. Our endorsement does not guarantee their agreement on all issues that may arise.
