If you are ok with our public schools losing over $1.3 billion last year in state aid due to the GEA*,

DO NOTHING!

If you are ok giving Albany 85% control over our teachers' and principals' ratings,

DO NOTHING!

If you are okay with Albany's "one-size-fits-all" education reforms controlling our public schools,

DO NOTHING!

If you are ok with cutting our programs to fund Albany's mandates that don't improve the educational experience for our students,

DO NOTHING!

If you are ok with the academic programs and extracurricular activities our public schools have lost through the years and what we may lose in the future,

DO NOTHING!

IF YOU'RE NOT OK WITH ANY OF THE ABOVE

CLICK HERE!

*GEA (Gap Elimination Adjustment) was implemented to withhold state aid from school districts to close the state budget deficit… we currently have a budget surplus.
